Cutting Edge Features of **UCP Law Program:**

Law Clinic

Keeping up with the contemporary standards of legal education, the Law Clinic Program at UCP Faculty of Law bears two-fold responsibility; firstly, to provide pro bono legal services to the underprivileged community members, and secondly, to provide students with a hands-on learning experience. To meet these ends, FoL maintains a proper infrastructure which comprises a Law Clinic office, a Law Clinic Secretary Office and a Conference Room. The UCP Moot Court Room provides state-of-the-art amenities to develop the advocacy skills of the students.

Five-Level Advocacy Skills Courses

To provide its students with hands-on learning experience and to hone their advocacy skills, FoL has made advocacy skills courses a regular feature of its scheme of studies. One advocacy skills course is offered to students per year on a specific area of legal practice/Training.
