# INTRODUCTION

The **Faculty of Law** at UCP has its foundation in Punjab Law College, first established in 1987. Later, the college emerged as a faculty in the University of Central Punjab in 2016. The FOL hones the craft of all students in three primary areas. The first is the skillset comprised of critical observation, problem-solving and effective representation. The second is having the ethical credence to resolve ethical dilemmas. The third, and the most effective, is social empathy, enabling a law expert to empathise with the community. The methodology adopted at the FOL is experiential, where the students are required to complete pro-bono service hours as part of their law degree. We impart education through the law in the book applied as the law in action. There is a wide variety of opportunities for students, enabling them to achieve their goals, fulfil their dreams and become productive members of society.

## LL. B

Faculty of Law (FOL) offers LL.B Hons, a 5-years programme. Based on the clinical-experiential learning methodology. The focus is on producing competent and ethical law professionals. A 5-level advocacy training by professional lawyers and the regular curriculum of LL.B trains the students. The pieces of training aim to internalise that they are the agents of change and will be the upholders of truth, justice and fair play. Special attention is designated to resolve ethical dilemmas attached to the legal profession.

Along with professional training, students learn to empathise with the segments of society needing legal support. They are also required to complete pro-bono service hours as part of their law degree and disseminate law awareness among society. In this regard, they hold legal health camps, legislative theatre, and other social drives to outreach society. This well-rounded grooming enables our students to improve the legal profession and kindle the lawfulness culture in society.

**Eligibility Criteria:** At least 45% marks in intermediate or equivalent. All applicants are required to pass LAT and the UCP admission test.
