INTRODUCTION

The **Faculty of Management Sciences (FOMS)** envisions to be the thought leader in inspiring businesses and society at the crossroads of globalisation and localisation. The foundation of FOMS is within Punjab College of Business Administration-PCBA, established in 1991. It is now an internationally recognised business education institution having served the community for more than 30 years. A highly qualified faculty with 23 PhD instructors, state-of-the-art facilities, a conducive learning environment, and academic and physical resources are the defining features of FOMS. All our degree programmes are structured with substantial technical knowledge so that students can tailor their degrees to best suit their career aspirations. The faculty takes pride in having professional links with several British and American universities to benefit from their management studies school and business curriculum in our academic initiatives to help our students be part of a global workforce. Guided by FOMS's missions, institutional learning outcomes and four fundamental principles: morality, fairness, social responsibility, and professionalism, our teaching methodology aims to incorporate real-world exposure, case study methods, and various industrial visits and internships to improve students' employability and career success.

Bachelors of Business Administration (BBA Hons.)

BS Business Analytics

Business Analytics has emerged as a new discipline where the use of statistics and technology is applied to the historical data to get new dimensions and make correct decisions that add value to the organisation's proficiency. In today's contemporary world, organisations are generating massive data. Such data also demands professionals who can analyse and correctly interpret it for cost efficiency and strategic drive. With the help of proper data analytics, organisations can achieve more significant revenues, make more informed decisions, and improve operational efficiency. Therefore, it is the need for time to develop professionals who can fulfil the future needs and become part of the future workforce. The BS Business Analytics will pave a path for graduates to work for different industries at various positions such as business analysts, operations analysts, people analysts, financial analysts, and market or consumer analysts.

Eligibility Criteria: At least 45% marks in intermediate or equivalent. All applicants are required to pass the UCP admission test.

BS Real Estate Management

Owing to the infrastructure-led development being pursued across the world and a priority area of the Government of Pakistan, the real estate sector has emerged as an engine of growth. However, as private sector participation also continues to rise, the sector is experiencing a shortage of quality human capital. Therefore, UCP has launched BS Real Estate Management Programme, the first of its kind with multidisciplinary content. The programme has been co-developed with Pakistan's leading real estate houses. It includes extensive exposure to real estate projects and on the job training.

Eligibility Criteria: At least 45% marks in intermediate or equivalent. All applicants are required to pass the UCP admission test.
